## PROJECTS

### Plant Lady - 2D Animation

Sep 2022 - Jun 2023

#### Producer, Editor, 2D Animator

Work focuses on working with a team of animators, following the pipeline to keep production on track.

- Building a 3D environment in Maya to help background artists layout and get the correct perspective.
- Used knowledge of Toon Boom (Harmony) to create 2D animation.
- Used Premiere Pro and After Effect to edit and composite the animation.

### The MenHeim Clinic - 3D Animation

Sep 2022 - Jun 2023

#### 3D Animator, Composer

- Worked independently and as part of a team to edit, composite and animation.

- Communicate with directors, multi-tasked with multiple scenes and make changes with notes.

- Used After Effect to composite the 2D effect to the 3D animation.

### Slug Fest: Grassroots - Card Game Base

Feb 2023

#### 3D Animator

Work got selected in Global Game Jam 2023, SCAD Atlanta.

- Focuses on character movement with walk and attack.
- Communicate with the team modeler and rigger, building several characters.

### Terry - 2D Animation

Mar 2022 - Jun 2022

#### 2D Animator, Composer, Sound Designer

Participated as a storyboard, 2D animator, and music artist. Work focuses on postproduction of compositing and sound design.

### Hellevator - Game

Jan 2022

#### 3D Animator, Modeler

Participate in Global Game Jam 2022, SCAD Atlanta.

- Helped with character modeling, rigging and animation.
